WEEKLY REPUBLICAN—1867.  
DAILY PUBLIC LEDGER—1891.

MAYSVILLE, KY., THURSDAY, OCTOBER 12, 1905.

ONE COPY—ONE CENT.

## Personal

THE LEDGER delights in obliging its friends. It prints "Help Wanted," "Situations Wanted," "Lost" and "Found" notices free of charge; and as it costs you nothing for such service, don't you think it is as little as you can do to write the copy and either bring or send it to the office?

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Baldwin Pianos at Gerbrich's.

Mr. Bruce Easton, who was reported badly hurt in a wreck by a Cincinnati paper, is at his home in this city.

The first real genuine frost of the season made its appearance last night. In some places it looked like a light snow.

At the same rate of progress maintained during the past month the new Postoffice will be completed in about six weeks.

Steps leading from Third to Second street have been put down in Cox alley in the First Ward. It was a needed improvement.

The cold snap yesterday put a crimp in open-car traffic, and the Street Railway Company promptly trotted out its handsome winter buggies.

Hon. James N. Kehoe was appointed member of the Executive Committee from the Ninth District at the State Development Convention yesterday at Louisville.

The Rev. Mr. Bunton, the new Pastor of the Third Street M. E. Church, arrived yesterday with his wife, and will conduct the regular prayer-meeting this evening.

Mr. Martin Hanley is having a concrete wall constructed in front of his West Third street business place and home. He will also have a concrete pavement put down.

Last afternoon's Times-Star had a splendid halftone of Dr. W. R. Heflin, the new President of Newport's Board of Health. You just can't keep the Man from Maysville down.

Mr. W. Fred Thomas, the Sixth Ward Councilman, in jumping from a car at Carlisle Monday, wrenched and sprained his ankle. He is now moving around with the aid of a cane.

Mr. Frank Hall, one of Uncle Sam's blue jackets, is home on a furlough, visiting his sisters, Mrs. Ryan and Mrs. Burkhardt. Frank has been in the Navy two years and eleven months, and is one of the Nevada crew, now at Philadelphia undergoing repairs.

Aunt Eliza Johnson of Lee street has propagated several fine specimens of lemon trees. Some of them contain fruit as large as good-sized apples. Though past 85 years of age, Aunt Eliza is as spry as one 20 years her junior.

In excavating for the new gutter through Phister avenue, Street Commissioner Smith's workmen unearthed a brick drain that had been constructed years ago. It was more than a foot underground, and probably belonged to Maysville Pompeian period.

We are making special prices for October weddings; we have everything to make the bride happy. Silver, Cut Glass, Fine China, Bronzes, Jewelry and Diamonds. Call and see me before making a selection. We will make it interesting for you.

P. J. MURPHY, the Jeweler.

Quite an animated discussion was carried on yesterday afternoon among a coterie of learned disciples of Blackstone as to whether a Magistrate could sit in the absence of the County Judge as presiding officer of a Quarterly Court. They seemed to be of one mind in declaring that the assumption was without warrant by law. Well, it's did and done. What's the use of chewing the rag about it?

Yesterday afternoon boreal winds struck the white shirt brigade with a suddenness that was appalling. There was a hustle for indoors and a change of apparel to conform with the weather. The mercury dropped way down; a cold rain fell and the wind blew a gale. When the rain ceased, the sun shone for a while and a beautiful rainbow spanned the heavens. At nightfall the wind raised again and the atmosphere became exceedingly cold.

As the day approaches for the final contest aspirants for political honors and office become more and more obfuscated as to their chance of success. Consolation groups gather in back rooms and shake the political kaleidoscope to determine the horoscope of their fortune. How about the bums? Well, they too are having their secret conclaves and arranging prices and shaking hands with themselves in anticipating the golden harvest they are about to reap.

The suit in "Squire Dressel's Court of Dora Tucker v. Everett Brightman" was postponed until Friday afternoon at 1:30 o'clock. It is not the province of any one to prejudge a case, but it's dollars to doughnuts that Brightman will come out of the contest with clean skirts as well as a clear conscience. He is too well known as a man of honesty, probity and good demeanor to have his good name tarnished by such twaddle as the charge that is here brought against him.

## BIG BLAZE—SMALL LOSS

### Workshop of Roe Stevens Destroyed By Fire Last Night

Last night about 10 o'clock the toolhouse and workshop of Mr. Roe Stevens in Clifton was destroyed by fire.

The shop sits about twenty yards from the house, and fortunately the wind carried the flames and sparks in an opposite direction, otherwise the house would have gone with the shop.

The origin of the fire is not known. Mr. Stevens had \$400 insurance on his dwelling and outbuildings.

The loss will reach several hundred dollars.

### Board of Trade President Getting Pointers on Progress

LOUISVILLE, Ky., Oct. 11th, 1905.

Editor Public Ledger, Maysville, Ky.—Dear Sir: I am attending the Fourth State Development Convention of Kentucky. Am simply a "looker on" and trying to learn how other people do things. If I prove an apt scholar, will endeavor to make use of what I learn in trying to help push along the city of Maysville and county of Mason.

We certainly have a grand opportunity for expansion along all lines. Let us do something, and "do it now."  
JOHN DULEY.

Mr. D. Sullivan has been elected President of the Ohio River and Columbus Railway Company.

## LYMAN H. HOWE'S NEW PICTURES.

The extraordinary reputation achieved by Lyman H. Howe as a master in the production of moving pictures is an indubitable proof that the program to be given at The Washington, Saturday October 14th, matinee and night, is one of the highest order. Mr. Howe's exhibitions have now been before the American public for ten years, and during all that time public interest in them has never lagged. On the contrary, the press and public have lauded and admired each re-appearance with a greater cordiality and a lustier ring in the applause. This is the supreme test of merit. The program Mr. Howe will present on this occasion will far surpass all his previous achievements and stimulate even more intense interest in his perennially popular production. Seats now on sale at the usual place.

This is the season to buy good Monumental work cheap. See MURRAY & THOMAS.

## MILDRED HOLLAND.

The attraction at The Washington on Thursday, October 19th, will be the brilliant and accomplished actress, Mildred Holland, in "The Triumph of an Empress," in which she portrays Catherine the Great of Russia.

The Boston Advertiser says—  
"The excellence of the play, the splendid ability of the cast with which Miss Holland is surrounded, the gorgeousness of the production and the costumes, make this attraction one of the strongest of the entire Boston theatrical season. Miss Holland's powerful emotional work surprised local theater-goers, and they at once recognized her as one of the foremost American actresses."

RETURNING from New Orleans, President ROOSEVELT will go to Washington by sea, and The Times-Star says it will be the first time that he has been outside the territorial limits of the United States; and this in spite of the fact that he passes through New Jersey several times a year.

News that the merchants of China who have been prosecuting the boycott against American goods have decided to temporarily suspend that movement to await possible action of the United States Congress in softening the exclusion laws, is contained in official dispatches received from Peking. The information comes from the Merchants Guild of that place, and is to the effect that this course has been decided on by the merchants throughout the Empire.

THE Washington correspondent of The Courier-Journal says legislation looking toward a more economical administration of the Government printing will be enacted at the coming session of Congress, according to Representative CHARLES LANDIS of Indiana, who will succeed himself as Chairman of the Committee on Printing. Mr. LANDIS believes that something like \$1,000,000 can be saved by giving close attention to matter the several Departments want printed. The Agricultural Department, especially, is an offender. The subordinate officials get up reports of absolutely no general

interest. The author's name appears on the flyleaf and often the pamphlet contains expensive illustrations. They get everything printed they want, and Mr. LANDIS believes this should be stopped.

"There is no dishonesty in the Government Printing Office," said Mr. LANDIS. "It is simply extravagance. I will give you an illustration—

"There is a certain financial publication turned out by one of the Executive Departments. I understand that it costs the Government \$100,000 a year to print and distribute it. This particular document ought to appeal to Bankers, but it doesn't.

"Now the Bankers in my District will contribute to my campaign, make speeches for me and support me in every possible way, but they will not accept the financial publication in question. They have sent me tearful appeals not to send it to them. But there's some mystery about that document. You can't get away from it. I went to Porto Rico and to Alaska, but the publication followed me. Bankers have written me that they don't want it, and that it is only an annoyance for them to receive it. But the report is turned out just the same, and it is an extravagance that should be stopped.

"Last winter a large package of books dealing with irrigation, handsomely bound and magnificently embellished, was sent to a member. He didn't want them. He offered them as gifts to the Negro porters, but the darkies refused the books. Finally he had to hire one of the Negroes to throw the books away."

## Political Pickings

### THE CONSTITUTIONAL AMENDMENT.

Mayfield Messenger.

If this amendment is voted, and the secret ballot done away with, then it will be an easy matter hereafter to amend the Constitution and impose such laws upon the people as the political and corporate influences may want and dictate. This much accomplished, amendment after amendment will be forced upon the people, until this great Constitution will be destroyed by these infamous amendments; the Legislature will be empowered to pass all character of local legislation, which years ago was the curse of the Commonwealth; counties, towns, districts and municipalities will be given the power to vote subsidies and debts of all kinds to the rich and grasping corporations, thereby entailing heavy debts that taxation for generations will not remove. These things can't be done under our present Constitution, but you destroy the secret ballot and they will come thick and fast. Now is the time to scent encroaching danger and nip in the bud one of the most dangerous schemes to civil liberty ever attempted in Kentucky.

Attorney General Hays Tuesday made a motion before the United States Supreme Court for the advancement of the case of James P. Howard, and the Chief Justice took the motion under advisement.

## POMPEIAN MASSAGE CREAM

CLEANSES WHERE SOAP AND WATER FAIL

Washing with soap and water makes the face look clean, but it cleans the surface only. It does not clean out the impurities in the skin that make it muddy and sallow. Pompeian Massage Cream goes through the surface. It sinks into every pore, reaches and loosens all foreign dirt and impurities that lodge in the pores. It is the only facial cream free from grease and that keeps the face free from it. Does not, cannot, promote the growth of hair on the face.

The merchant who wishes to reach people who buy goods, puts his advertisement in a paper that people read; the merchant who throws his money away, gives his advertisement to the fakir who promises to put it on a card and hang it up on a street corner.

Do you want your name and business repeated that often within the next twelve months?

## KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing—but don't make your "kicks" too long—it's the short, quick fellows that count—and cut.  
The name of the kicker must accompany the kick, or it'll be kicked into the waste-basket.

### CALLS FOR ACTION.

Editor Public Ledger: Can you answer a query that's on the lips of every true Republican except the would-be Bosses?

Why is it the County Committee does not fill the vacancies on the county ticket?

Numerous Democrats, who are tired of ring rule, are clamoring for a full ticket and say "now is the chance for the Republicans to elect a full ticket, but you Republicans won't give us a chance to help you elect a full ticket."

The time will expire next Saturday to get the names on the ballot; and unless the ticket is full by Friday, I am in favor of calling a mass-meeting of Republicans at the Courthouse to demand the resignation of the County Committee, from the Chairman down, and place the Old Guard in power who had some qualification for managing a campaign, and who carried the county under their management.

The present Committee seem to be playing into the hands of the Democrats, because they are candidates for a city office, not having sense enough to know they are losing votes every day on account of their action.

What say you, fellow-Republicans, about a mass-meeting at the Courthouse next Friday night unless something is done? Yours,

A REPUBLICAN.

Mrs. Rosa Kerr, nee Mason, who has been living at Danville, Ill., is visiting her mother here. Guess her husband will move back to Lewis county.

The Junior Order is making the proper arrangements to raise a flag on our Schoolhouse, assisted by the G. A. R.

J. E. Bevard is suffering from a sprained and fractured knee, the results of a fall while hanging tobacco in the barn.

Mrs. Sarah Guthrie of Chalk Ridge, wife of Thomas F. Guthrie of Croxton Post, G. A. R., is very low with consumption and not expected to live very long.

Mrs. Anna Waldren, Miss Warda Konnard and her young sister and brother, left today for Hartford City, Ind., where they will join their mother in their new home.

This is fine weather to work the public roads and have them in good order before bad weather. There has been some repairing done, but our roads are in a bad fix. Heard one Wilson Bottom farmer say he had paid out over \$800 tax on the C. C., S. H. and M. pike, and he had no road today to drive an empty wagon over, let alone a load of any farm produce. Lewis county must have a bad road law. There is plenty of good material and hands along the roads, but no engineering ability to work them to advantage.

**DEATHS**

**MR. JOHN CAMPBELL.**

Mr. John Campbell died October 5th, at the home of his daughter, Mrs. Frank Chambers, near Moscow, O., where he had moved from Ripley a few weeks ago.

Mr. Campbell was born in this city January 25th, 1832, and went to Ripley when a small boy, where he lived until his removal to Moscow a few weeks ago.

He leaves a wife and two daughters.

The funeral was held at Moscow, and the remains were taken to Ripley Saturday for interment.

Berthelot, the celebrated chemist, is one of the busiest men in France. He has written 600 brochures and articles, besides twenty big scientific volumes. He may be called the head of French science.

Secretary Wilson of the Department of Agriculture says that probably hundreds of thousands of dollars' worth of buttermilk is thrown away in this country every year. He has learned recently from medical experts that buttermilk is very valuable in the treatment of diseases of the kidneys, such as Bright's disease and diabetes, and he says if some one would invent a plan by which it could be condensed and preserved for medicinal purposes the inventor would render humanity an invaluable service.

**A Judicious Inquiry.**

A well known traveling man who visits the drug trade says he has often heard Druggists inquire of customers who asked for a cough medicine, whether it was wanted for a child or for an adult, and if for a child they almost invariably recommend Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it, and for coughs, colds and croup it is unsurpassed. For sale by all Druggists.

**DON'T BE SATISFIED.**

**Why Be Content With Relief From Backache When a Maysville Woman Shows You the Cure.**

Don't be satisfied with relief. Brief freedom from backache. Reach the root of the trouble. Cure the cause, and backache disappears for good.

It can be done. Doan's Kidney Pills make lasting cures. Experience of Maysville people prove this. Here's one Maysville case of it: Mrs. Lizzie Bridges, wife of Elmer Bridges, of 206 West Third street, Maysville, Ky., says: "In March, 1900, I gave a testimonial praising and recommending Doan's Kidney Pills and in it I told how I learned the great value of this remedy. I had been troubled with a bad back and weak kidneys from girlhood, and in my efforts to find a cure I tried every medicine I could find, but without benefit until I began using Doan's Kidney Pills procured at J. Jas. Wood & Son's Drugstore. They proved just the remedy I needed, went right to the cause of the trouble and as a result brought relief that led me to testify in their favor. I have never been without Doan's Kidney Pills in the house since. Every spring I take a box whether symptoms of kidney trouble are apparent or not, and in this way keep the kidneys in good condition and guard against attacks of my old trouble."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.
